## Two Presiding Officers.

The Legislature reconvened yesterday morning in Frankfort. In the Senate Carter and Marshall took seats side by side to act as president officers. Both called for order. The Republican branch immediately adjourned. The Democrats adopted a resolution endorsing all actions taken while away from the Capital, including the proceedings declaring Goebel and Beckham elected, and then adjourned. Both the Democrats and Republicans say that they will pursue the course followed yesterday, the Democrats recognizing Carter and the Republicans Marshall.

The Democratic clerks will not enter the proceedings conducted by the Republicans in their journal, and the Republican clerk will keep a separate book of minutes hereafter.

The House met at noon, Speaker Trimble presiding. The journal of the Legislature sitting at Louisville was read. Mr. Hickman, Democrat, demanded a roll call to ascertain if a quorum was present. The Republicans did not answer to their names. Fifty-three of the sixty Democrats were present. The House adopted a resolution directing the custodian of public buildings to drape the legislative halls and State House with emblems of mourning and place the State Capital flag at half-mast on account of the death of Governor Goebel. The contest matter was not taken up.

## Late Legislative News.

The House met at Louisville Saturday with forty-two members present. The anti-high hat theatre bill was reported favorably. Mr. Cantrill, Mr. Finn and Mr. Trimble were appointed a committee to thank the Louisville people for their kind treatment.

The bill making changes in the sections of the charters of cities of the first-class relating to the impeachment of city officials was favorably reported.

The bill fixing the license for pawnbrokers in cities of the first-class at \$2,500 a year was favorably reported.

The resolution to adjourn to meet yesterday at Frankfort was unanimously adopted.

The Senate Saturday by unanimous vote decided the contest of Simmons (Dem.) against Huntsman (Rep.) in favor of the contestee. Mr. Simmons had a poor case, in the judgment of the Democratic members.

Gov. Beckham will remain in Louisville until the injunction case against Taylor is decided.

## Political Topics.

COL. JAMES ANDREW SCOTT, of Frankfort, one of the Democratic attorneys in the contest cases, and a devoted friend of the late Governor Goebel, is preparing a defense of the Goebel election law, which will be issued this week. It will be in the nature of an address to the country setting forth the provisions of law and correcting what Mr. Scott thinks is a false impression with many people as to its import and workings.

The grand jury, after full investigation of the charge brought by John H. Whallen against Senator S. B. Harrel, of obtaining money by false pretenses, has dropped the case.

It is telegraphed from Lexington that Gov. Goebel's friends will establish a new paper at Lexington, with Chas. Lewis, of Shelbyville, as editor. It will back John R. Allen for Congress. Telegrams from Frankfort state that Congressman June Gayle will be a candidate to succeed himself in Congress, and that his friends will establish a new paper at Frankfort to push his claims. Emmett Orr, of Owenot, is mentioned as the editor of the Gayle paper.

THE Rev. R. V. McCready, of Newport, from his pulpit Sunday, rebuked the women of Kentucky for not frowning upon pistol-carrying and for inciting men to deeds of vengeance.

## Interest You.

You often hear of buying goods at

## YOUR OWN PRICE,

but you seldom see the opportunity. Now, I am really going to give you a chance to buy a set of furniture at YOUR OWN PRICE. On Monday, February 12th, I placed on exhibit in my show window a handsome Oak Set of Furniture, the real value of which is \$65. Now, this is what any dealer would ask you for this Set of Furniture, and it is a good value. On Tuesday the price of this suite will be \$64, Wednesday \$63 and \$1 less for each day it remains in the window, and it will remain there until the price goes to one dollar, unless some one buys before then. You can buy any time the price suits you, provided the other fellow don't beat you to it. Of course, you may want too good a thing and wait too long, but, of course, that will be your fault. Remember every dollar under \$65 is a dollar made.

Undertaking in all its branches.  
Embalming scientifically attended to. Carriages for hire.  
Furniture repaired. Household goods moved. WOOD MANTELS and TILINGS always on hand.

I can furnish you at any time an experienced man for mantel work.
